CAFÉ CHAIRS

Create inviting spaces with café chair that blends comfort, charm, and durability. Designed for casual conversations and quick bites, these chairs add personality to every corner—whether indoors or alfresco.

CC-01

Modern comfort with a sleek edge. CC-01 features a deep blue bucket-style seat with stylish diagonal quilting on the interior backrest. Supported by durable, splayed black metal legs, this chair offers a sturdy yet elegant seating solution for contemporary cafes and lounges.

CC-02

Soft elegance with a decorative twist. CC-02 combines a blush pink backrest featuring vertical channel stitching with a charming floral-patterned seat cushion. The design is grounded by black metal legs finished with luxurious gold tips, making it a standout piece for boutique interiors.

CAFÉ CHAIR

CC-03

A playful yet elegant design for boutique interiors. CC-03 features a distinctive scalloped, shell-shaped backrest in rich red, paired with a vibrant floral-patterned seat cushion. The sturdy black metal legs are finished with gold tips, creating a chic, durable chair that acts as a perfect conversation starter.

CC-04

Grand comfort meets industrial strength. CC-04 offers a high, curved wingback silhouette with luxurious diamond-quilted detailing on the interior backrest. The plush red upholstery is supported by durable tapered metal legs with gold tips, combining the sophisticated look of a classic armchair with the reliability of a metal frame.

CAFÉ CHAIR

CC-05

A charming blend of modern comfort and decorative flair. CC-05 features a plush blue velvet-style interior seat paired with a unique floral-patterned exterior backrest. Supported by simple, sturdy black metal tapered legs, this chair acts as a perfect piece to add character to boutique cafes.

CC-06

Sophisticated contrast for modern dining. CC-06 combines a bold red interior with vertical channel stitching and a neutral brown exterior shell. The elegant barrel design rests on black metal legs finished with gold tips, offering a luxurious aesthetic that stands out in any setting.

CAFÉ CHAIR

FURNITURE MADE TO PERFECTION

CC-07

Timeless elegance. CC-07 features a plush grey upholstered seat and curved backrest, supported by tapered black metal legs finished with stylish gold tips. This design blends mid-century modern aesthetics with the durability of a metal frame, perfect for upscale interiors.

CC-08

Contemporary chic. CC-08 showcases a sophisticated grey diamond-quilted backrest supported by a slender black metal frame. The open-sided barrel silhouette offers a cozy, enclosed feel while maintaining a light, airy look ideal for lounges and cafes.

CAFÉ CHAIR

CC-09

A pop of color meets industrial strength. This chair features a vibrant teal upholstered seat and curved backrest, supported by a sleek black metal frame. The wrap-around design offers cocoon-like comfort, while the modern 'floating' backrest adds a contemporary edge to cafes and lounges.

CC-10

Deep comfort with a modern silhouette. CC-10 showcases a rich blue velvet-style upholstery paired with slender black metal legs. The open-back barrel design provides excellent ergonomic support and a sophisticated aesthetic, perfect for upscale dining areas and coffee shops.

CAFÉ CHAIR

CC-27

A luxurious addition to any space. This chair features a heavy-duty gold-finished metal frame built for commercial durability. It is paired with plush, diamond-quilted upholstery (shown in red) to provide superior comfort and a premium look for upscale cafes and banquets.

CC-12

Wrap your guests in luxury with this sophisticated design. CC-12 features a sleek gold-finished metal frame with tapered legs that support a curved, tub-style silhouette. The plush upholstery is detailed with elegant diamond quilting on both the backrest and seat, offering a perfect blend of sturdy metal engineering and cozy comfort for premium lounges.

CAFÉ CHAIR

CC-13

A piece for modern interiors. CC-13 features sturdy black metal tapered legs finished with elegant gold tips. The rounded, tub-style seat is upholstered in plush fabric (shown in terracotta) with grid stitching, offering a perfect mix of mid-century flair and durable metal engineering.

CC-14

Artistic, airy, and strong. CC-14 showcases a sophisticated gold-finished metal wire frame that creates a light, open silhouette. The vertical rod backrest and unique sled-style base provide robust support, while the contrasting blue cushioned seat adds a pop of comfort and color to the design.

CAFÉ CHAIR

CC-25

Built for endurance and comfort. This chair features a heavy-duty black metal frame with extra leg bracing for superior stability. The classic horizontal ladder-back design is paired with a square, brown upholstered seat, making it a reliable workhorse for busy dining halls and restaurants.

CC-26

Sleek and versatile. CC-26 combines a sturdy black metal frame with a comfortable round, brown cushioned seat. The gently curved ladder-back offers ergonomic support, while the clean lines make it an excellent space-saving choice for modern cafes and canteens.

CAFÉ CHAIR

CC-27

A blend of classic motif and modern durability. This chair features a sturdy gold-finished metal frame with a distinctive 'X' pattern detail on the backrest. Paired with a plush white cushioned seat, it offers a sophisticated, airy look ideal for banquet halls and elegant dining spaces.

CC-28

Designed for high-impact visual appeal. CC-28 combines a heavy-duty black metal frame with a vibrant yellow upholstered seat. The curved horizontal ladder-back design ensures ergonomic comfort, while the strong square-tube legs make it a reliable choice for busy restaurants and cafes.

CAFÉ CHAIR

CC-29

A classic choice for casual dining. This chair features a durable chrome-finished metal frame with a distinctive vertical slat 'fan' backrest. The round, cushioned seat provides comfort, while the lightweight tubular steel construction makes it easy to move and stack in busy cafes and ice cream parlors.

CC-30

Simple, sturdy, and stylish. CC-30 utilizes the same robust chrome-finished metal frame but features a modern horizontal ladder-back design. Paired with a comfortable round upholstered seat, this chair offers excellent back support and a sleek look suitable for canteens and fast-food outlets.
