KELLEN®

ABOUT US

At Bhawna Industries, we believe furniture is more than just utility — it's comfort, style, and durability that shapes everyday living. Established in Chandigarh, we specialize in manufacturing and wholesaling a wide range of furniture including chairs, tables, sofas, almirahs, racks, and benches.
With years of experience, we focus on combining quality materials, skilled craftsmanship, and modern design to deliver furniture that fits both commercial and residential spaces. From offices and schools to restaurants, cafes, hospitals, and homes, our products are built to last.
We are proud to be a GST-registered, 18% compliant manufacturer and ensure every product meets the highest standards of finish and reliability.
Our mission is simple: to make premium furniture accessible, practical, and long-lasting for everyone.

Safe Delivery, Pan India – Strong packaging and trusted partners ensure your furniture reaches you safely, anywhere in India.

ECO

Eco-Friendly Furniture – Made with sustainable materials and safe finishes, our products are designed to last while reducing environmental impact and caring for a greener tomorrow.

- Best in Quality – Premium materials and expert craftsmanship you can trust.
- Our Best Range – Handpicked designs built for comfort, durability, and style.
- Best Choice – Furniture that blends modern looks with lasting performance.

SC-61

SPECIAL CABINET

Made-to MEASURE

The SC-61 is a sleek, made-to-measure storage unit featuring a dual-tone wood and charcoal finish. It combines tall cabinets, a three-drawer suite, and open shelving to offer a perfect balance of concealed storage and display space. With its minimalist black hardware and modular design, it is an ideal professional solution for modern offices or home studies.

SPECIAL CABINET

SC-62

Made-to MEASURE

SC-62 is a bold statement in modern interiors — a made-to-measure wall unit that merges dark wood elegance with asymmetrical shelving. Its open display zones invite curated styling, while the concealed cabinets below offer practical storage. Ideal for living rooms, studios, or executive spaces seeking a balance of sophistication and utility.

SPECIAL CABINET

SC-63

Made-to MEASURE

The SC-63 unit blends open shelving and closed cabinetry in a sleek, wall-hugging design. Its rich wood grain finish and clean geometry make it ideal for showcasing décor, storing essentials, or organizing books in living rooms, studios, or office spaces. Fully customizable to fit your wall dimensions and styling needs.

SPECIAL CABINET

SC-64

Made-to MEASURE

SC-64 is a modern fusion of matte black framing and warm wood cabinetry, designed to elevate any interior with its clean lines and functional layout. The open shelves invite curated display, while the closed cabinets offer discreet storage. Perfect for living rooms, studios, or workspaces that demand both style and substance.

SC-65

SPECIAL CABINET

Made-to MEASURE

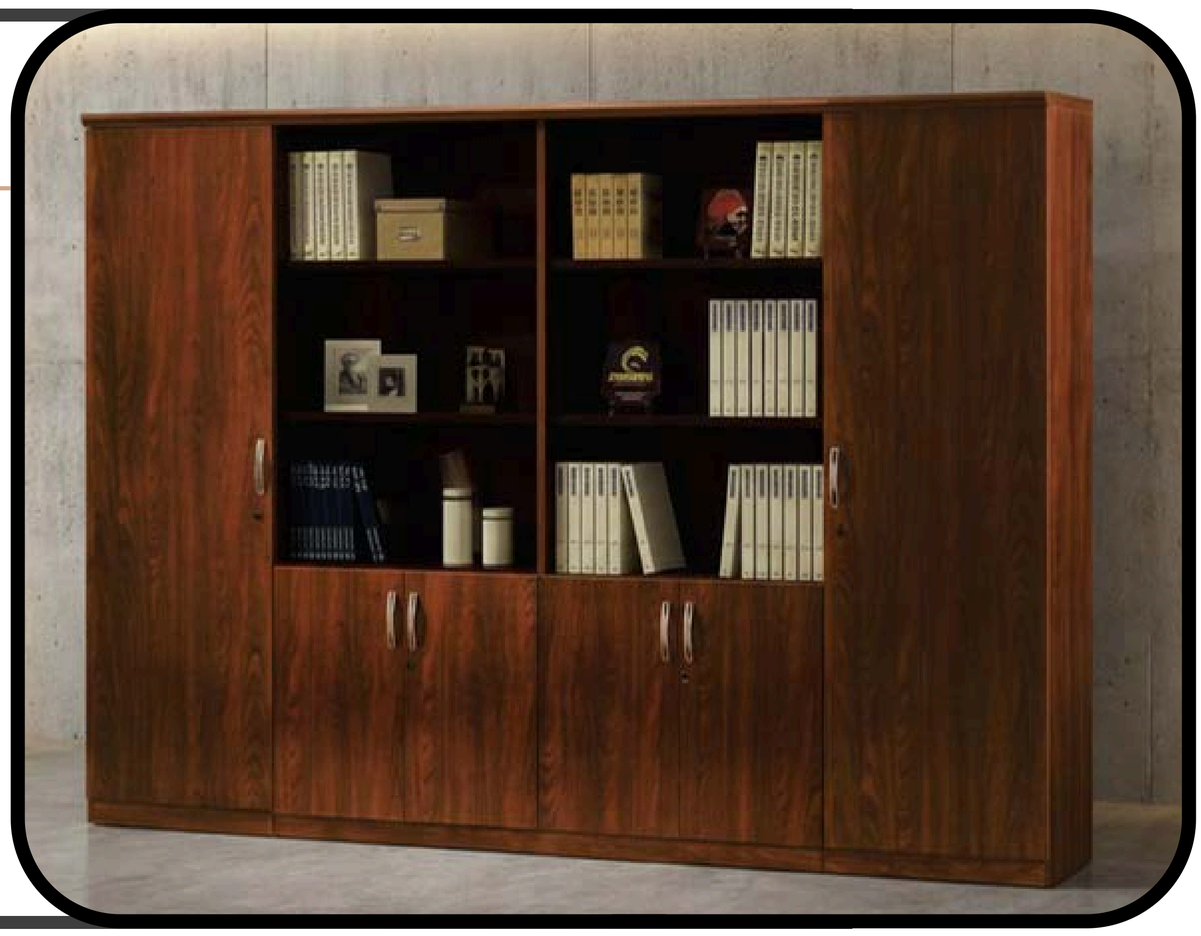
SC-65 is a refined blend of warm wood textures and crisp white finishes, crafted for modern interiors that value both aesthetics and utility. Its tall side panels frame a recessed display zone with ambient lighting, perfect for showcasing art, florals, or personal accents. The central cabinets offer ample concealed storage, making it ideal for living rooms, lounges, or executive suites.

SPECIAL CABINET

SC-66

Made-to MEASURE

SC-66 is a modern bookshelf unit crafted for both display and storage. Its symmetrical three-column layout features open shelves for curated décor and literature, while the lower cabinets offer concealed space for essentials. The rich dark wood finish adds warmth and sophistication, making it ideal for living rooms, libraries, or executive spaces.



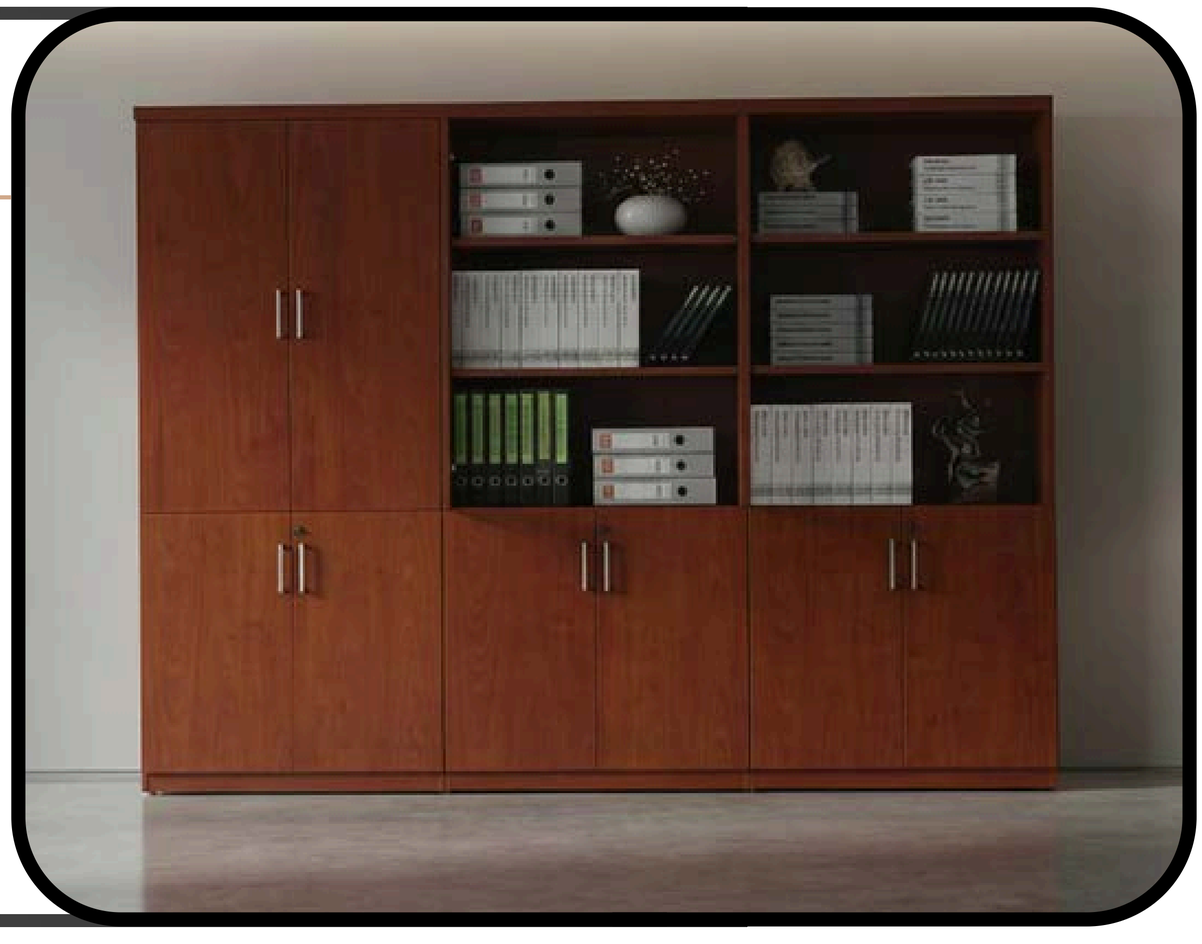
KELLEN®

SPECIAL CABINET

SC-67

Made-to MEASURE

SC-67 is a made-to-measure cabinet designed for organized living and working. Its warm wood finish and balanced layout offer a blend of open shelving for display and closed compartments for secure storage. Ideal for offices, libraries, or home studios where functionality meets refined aesthetics.



SPECIAL CABINET

SC-68

Made-to MEASURE

SC-68 is a sleek, made-to-measure cabinet designed for modern workspaces. Its light wood finish brings warmth to concrete or neutral backdrops, while the open shelving keeps documents accessible and organized. The lower closed compartments offer clutter-free storage for office essentials, making it ideal for executive cabins, meeting rooms, or studio setups.

CAFÉ CHAIRS

Create inviting spaces with café chair that blends comfort, charm, and durability. Designed for casual conversations and quick bites, these chairs add personality to every corner—whether indoors or alfresco.

CC-01

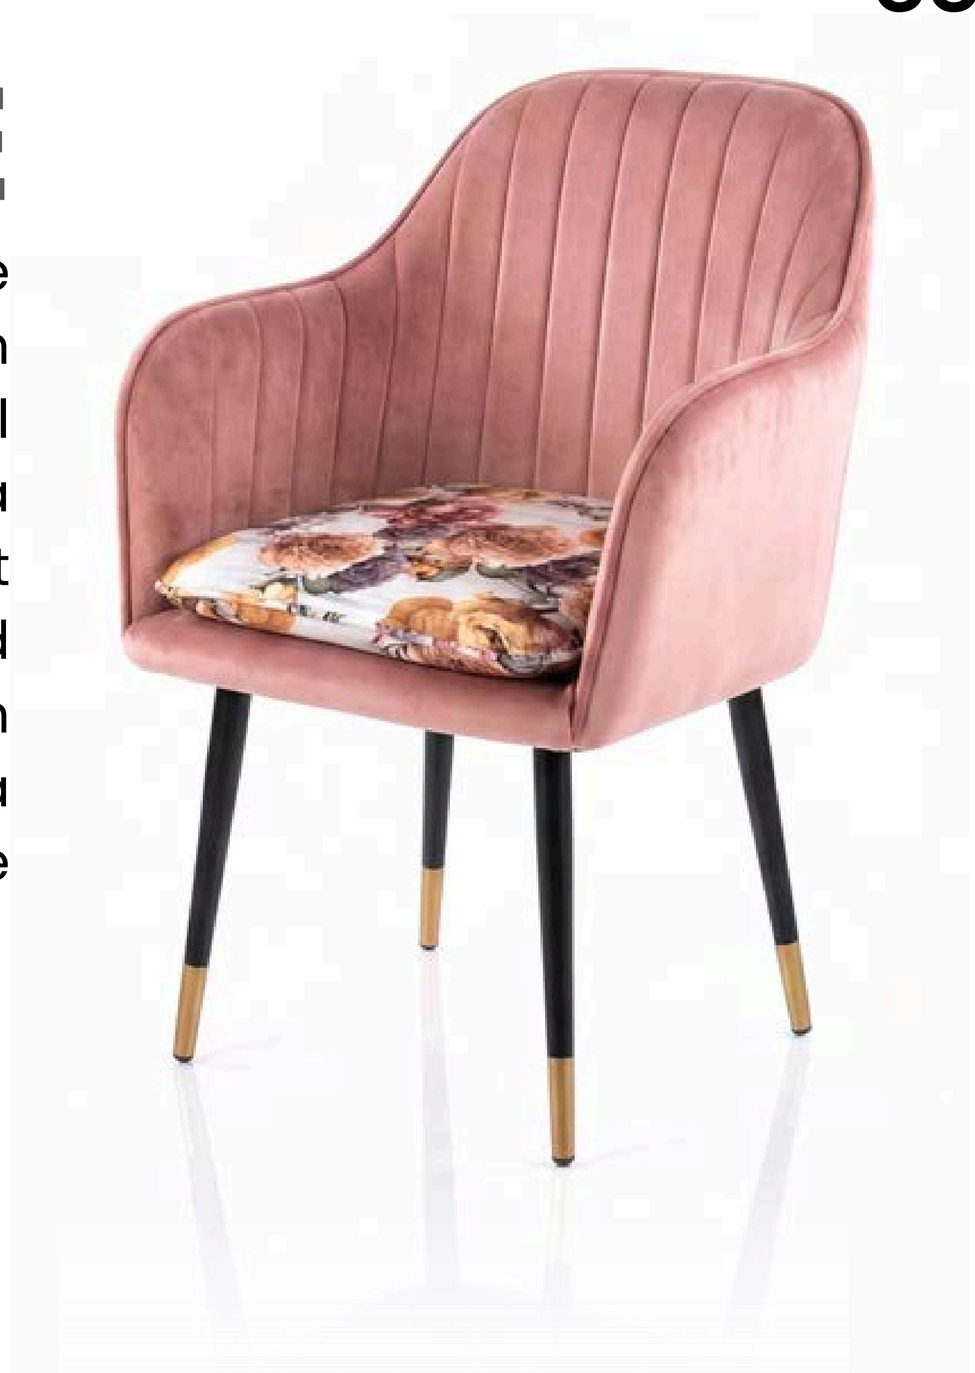
DIAMOND M-CAFE

Modern comfort with a sleek edge. CC-01 features a deep blue bucket-style seat with stylish diagonal quilting on the interior backrest. Supported by durable, splayed black metal legs, this chair offers a sturdy yet elegant seating solution for contemporary cafes and lounges.

CC-02

VERTICLE M-CAFE

Soft elegance with a decorative twist. CC-02 combines a blush pink backrest featuring vertical channel stitching with a charming floral-patterned seat cushion. The design is grounded by black metal legs finished with luxurious gold tips, making it a standout piece for boutique interiors.



KELLEN®

CC-03

FLOWER

A playful yet elegant design for boutique interiors. CC-03 features a distinctive scalloped, shell-shaped backrest in rich red, paired with a vibrant floral-patterned seat cushion. The sturdy black metal legs are finished with gold tips, creating a chic, durable chair that acts as a perfect conversation starter.

CC-04

WING

Grand comfort meets industrial strength. CC-04 offers a high, curved wingback silhouette with luxurious diamond-quilted detailing on the interior backrest. The plush red upholstery is supported by durable tapered metal legs with gold tips, combining the sophisticated look of a classic armchair with the reliability of a metal frame.

CC-05

BARREL

A charming blend of modern comfort and decorative flair. CC-05 features a plush blue velvet-style interior seat paired with a unique floral-patterned exterior backrest. Supported by simple, sturdy black metal tapered legs, this chair acts as a perfect piece to add character to boutique cafes.

CC-06

VERTICLE BARREL

Sophisticated contrast for modern dining. CC-06 combines a bold red interior with vertical channel stitching and a neutral brown exterior shell. The elegant barrel design rests on black metal legs finished with gold tips, offering a luxurious aesthetic that stands out in any setting.

KELLEN®

CC-07

U-CAFE

Timeless elegance. CC-07 features a plush grey upholstered seat and curved backrest, supported by tapered black metal legs finished with stylish gold tips. This design blends mid-century modern aesthetics with the durability of a metal frame, perfect for upscale interiors.

CC-08

NEW LAUBY

Contemporary chic. CC-08 showcases a sophisticated grey diamond-quilted backrest supported by a slender black metal frame. The open-sided barrel silhouette offers a cozy, enclosed feel while maintaining a light, airy look ideal for lounges and cafes.

CC-09

LAUBY

A pop of color meets industrial strength. This chair features a vibrant teal upholstered seat and curved backrest, supported by a sleek black metal frame. The wrap-around design offers cocoon-like comfort, while the modern 'floating' backrest adds a contemporary edge to cafes and lounges.

CC-10

REDUCING LAUBY

Deep comfort with a modern silhouette. CC-10 showcases a rich blue velvet-style upholstery paired with slender black metal legs. The open-back barrel design provides excellent ergonomic support and a sophisticated aesthetic, perfect for upscale dining areas and coffee shops.

KELLEN®

CC-27

MONARCH

A luxurious addition to any space. This chair features a heavy-duty gold-finished metal frame built for commercial durability. It is paired with plush, diamond-quilted upholstery (shown in red) to provide superior comfort and a premium look for upscale cafes and banquets.

CC-12

DIAMOMD REDUCING LAUBY

Wrap your guests in luxury with this sophisticated design. CC-12 features a sleek gold-finished metal frame with tapered legs that support a curved, tub-style silhouette. The plush upholstery is detailed with elegant diamond quilting on both the backrest and seat, offering a perfect blend of sturdy metal engineering and cozy comfort for premium lounges.

KELLEN®

CC-13

BASKET

A piece for modern interiors. CC-13 features sturdy black metal tapered legs finished with elegant gold tips. The rounded, tub-style seat is upholstered in plush fabric (shown in terracotta) with grid stitching, offering a perfect mix of mid-century flair and durable metal engineering.

LINEAR

Artistic, airy, and strong. CC-14 showcases a sophisticated gold-finished metal wire frame that creates a light, open silhouette. The vertical rod backrest and unique sled-style base provide robust support, while the contrasting blue cushioned seat adds a pop of comfort and color to the design.

CC-14

CC-25

SQUARE MC

Built for endurance and comfort. This chair features a heavy-duty black metal frame with extra leg bracing for superior stability. The classic horizontal ladder-back design is paired with a square, brown upholstered seat, making it a reliable workhorse for busy dining halls and restaurants.

CC-26

MC

Sleek and versatile. CC-26 combines a sturdy black metal frame with a comfortable round, brown cushioned seat. The gently curved ladder-back offers ergonomic support, while the clean lines make it an excellent space-saving choice for modern cafes and canteens.

CC-27

X SUBWAY

A blend of classic motif and modern durability. This chair features a sturdy gold-finished metal frame with a distinctive 'X' pattern detail on the backrest. Paired with a plush white cushioned seat, it offers a sophisticated, airy look ideal for banquet halls and elegant dining spaces.

CC-28

SUBWAY

Designed for high-impact visual appeal. CC-28 combines a heavy-duty black metal frame with a vibrant yellow upholstered seat. The curved horizontal ladder-back design ensures ergonomic comfort, while the strong square-tube legs make it a reliable choice for busy restaurants and cafes.

KELLEN®

CC-29

TAJMAHAL MC

A classic choice for casual dining. This chair features a durable chrome-finished metal frame with a distinctive vertical slat 'fan' backrest. The round, cushioned seat provides comfort, while the lightweight tubular steel construction makes it easy to move and stack in busy cafes and ice cream parlors.

CC-30

5 STAR MC

Simple, sturdy, and stylish. CC-30 utilizes the same robust chrome-finished metal frame but features a modern horizontal ladder-back design. Paired with a comfortable round upholstered seat, this chair offers excellent back support and a sleek look suitable for canteens and fast-food outlets.

CAFÉ TABLES

Stylish and durable café tables, from cozy dining designs to sleek bar-height options, crafted to enhance ambience and maximize comfort in any restaurant setting.

CST-01

UPHOLSTERY TYPE: PARTICLE BOARD

TYPE: CAFÉ TABLE

ORBIT

A sophisticated blend of contrast and warmth. CST-01 features a classic wood-finish particle board top resting on a distinctive two-tone metal pedestal base. The matte black column transitions into a luxurious gold-finished bottom plate, creating a modern, upscale look. Designed for versatility, this model is available in both standard dining and bar table heights

Approximate Size:
Length: 2 ft
Width: 2 ft
Height: 3.5-2.5 ft

PLATEAU

Compact luxury for any setting. This square table combines a rich, rustic wood-finish particle board top with a stunning full gold-finished metal base. The square pedestal design provides excellent stability and a premium aesthetic. Like our other pedestal models, it is offered in both dining and bar seating configurations..

Approximate Size:
Length: 2 ft
Width: 2 ft
Height: 3.5-2.5 ft

CST-02

KELLEN®

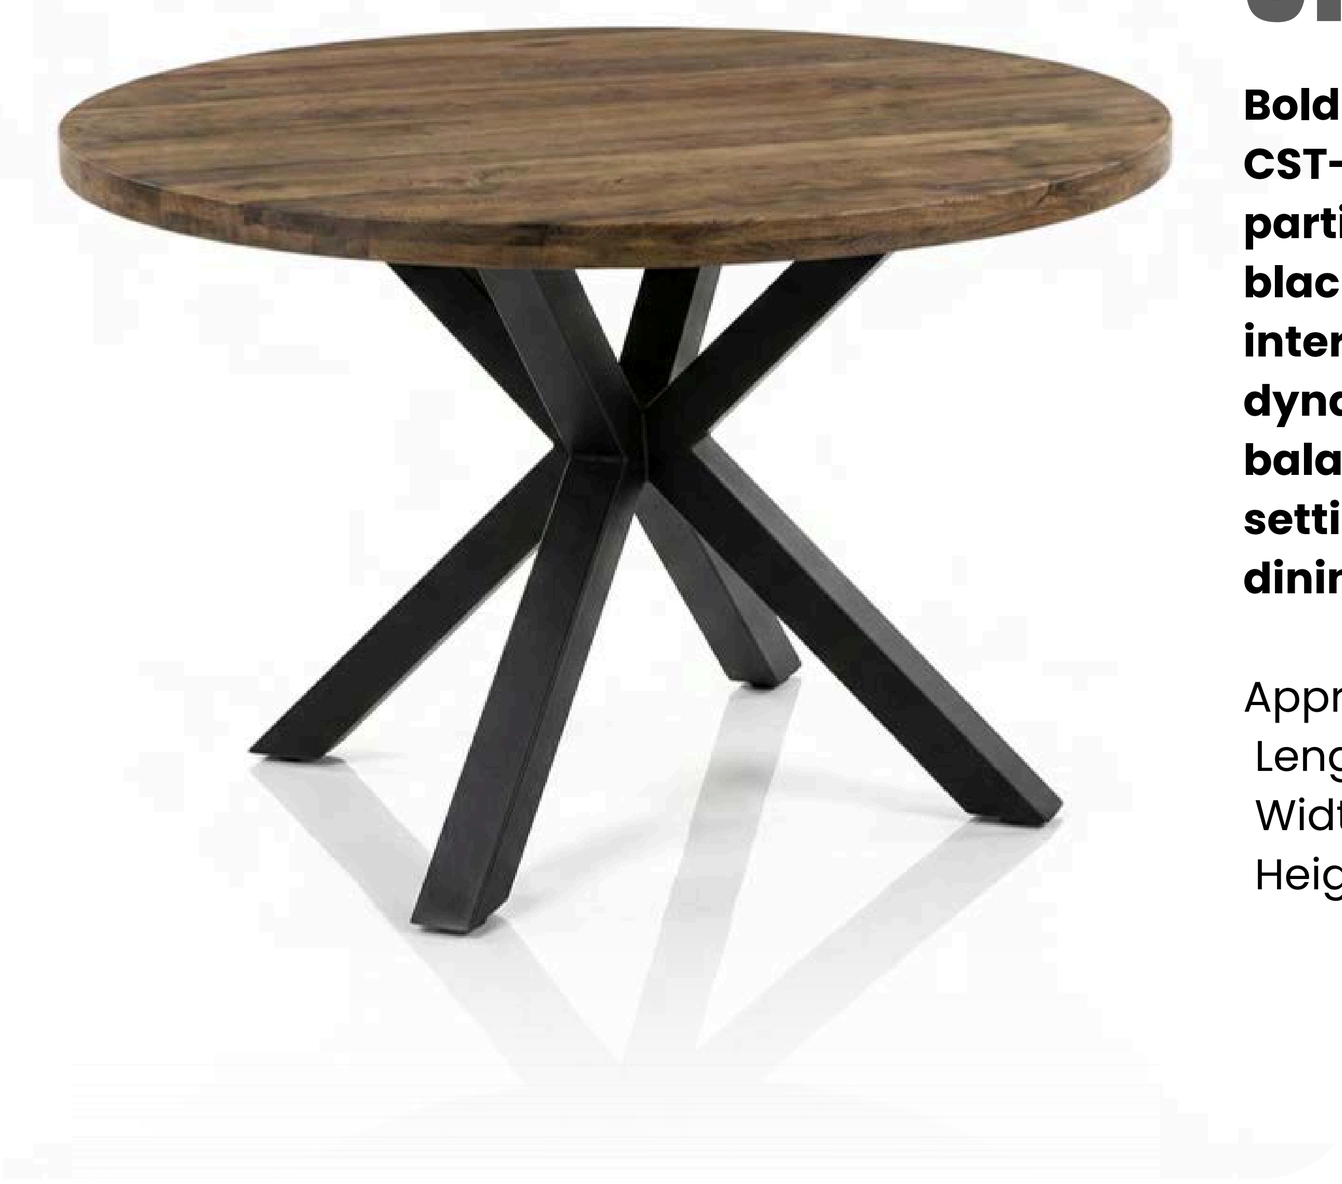
CST-03

CLUSTER

A centerpiece of modern elegance. This table features a premium white marble-finish particle board top supported by a sophisticated gold-finished metal base. The architectural leg cluster provides stability without bulk. Versatile for any floor plan, this design is available in both standard dining and elevated bar heights.

Approximate Size:
Length: 4 ft
Width: 2 ft
Height: 2.5 ft

CST-04



SPIDER

Bold design meets robust engineering. CST-04 pairs a rich dark wood-finish particle board top with a striking black metal star-base. The intersecting leg design offers a dynamic visual element and superior balance. Perfect for diverse hospitality settings, this model comes in both dining and bar table sizes.

Approximate Size:
Length: 4 ft
Width: 2 ft
Height: 2.5 ft

CST-05

ANGLE

Ideal for intimate conversations and compact spaces. This table features a round particle board top with a warm, rustic wood finish. It rests on a sturdy black metal base with angled legs that meet in a cross-frame at the bottom, offering a modern industrial look with superior balance.

Approximate Size:
Length: 3 ft
Width: 3 ft
Height: 2.5 ft

METRIC

CST-06

Designed for maximum versatility in commercial spaces. This table features a durable particle board top paired with a classic silver-finish metal base. Ideally suited for diverse layouts, the frame is available in two sizes, allowing you to create consistent styling across both standard dining sets and high-seating bar sets.

Approximate Size:
Length: 4 ft
Width: 4 ft
Height: 3.5-2.5 ft

KELLEN®

CFT-01

BRIDGE

A perfect blend of function and modern minimalism. This table features a light oak-finish particle board top resting on a polished silver-finish metal base. The clean T-frame legs are reinforced with dual horizontal support bars, offering a sturdy, wobble-free structure ideal for cafeterias and breakrooms

Approximate Size:
Length: 4 ft
Width: 2 ft
Height: 2.5 ft

CFT-02

GRILL

Contemporary design with a decorative edge. CFT-02 pairs a rich dark walnut-finish particle board top with a striking chrome-finished metal base. The legs feature a unique curved profile with horizontal grill detailing, adding a stylish visual element to its heavy-duty construction.

Approximate Size:
Length: 4 ft
Width: 2 ft
Height: 2.5 ft

CFT-03

SLED

A masterpiece of open-concept design. CFT-03 features a pristine white marble-finish particle board top that contrasts beautifully with its bold gold-finished metal base. The rectangular sled-style legs create a spacious, airy look, making this an ideal centerpiece for luxury cafes and bright, modern interiors

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

ARCH

Designed for stability and timeless style. This table offers a warm, dark wood-finish particle board top paired with a traditional black metal base. The legs feature elegant curved supports connected by a central reinforcement bar, providing the heavy-duty durability needed for busy restaurants and coffee shops.

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

CFT-04

TAPER

CFT-05

Sophistication meets durability in this elegant design. CFT-05 features a pristine white marble-finish particle board top supported by slender, tapered metal legs. The black legs are finished with striking gold tips, adding a luxurious mid-century modern flair suitable for upscale cafes and restaurants.

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

CFT-06

SQUARE

This table showcases the same premium white marble-finish particle board top but rests on a robust, architectural black metal frame. The square-tube structure offers superior durability and a sleek, understated aesthetic that fits perfectly in modern office pantries or urban bistros.

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

CFT-07

CROSS

A timeless design for any modern café. This table features a vibrant wood-finish particle board top supported by a sturdy black metal X-base. The cross-leg design maximizes legroom while ensuring exceptional stability, making it a practical and stylish choice for high-traffic dining areas.

Approximate Size:
Length: 4 ft
Width: 2 ft
Height: 2.5 ft

X-BASE

Add a touch of glamour to your space with this chic design. CFT-08 pairs a light, stone-finish particle board top with an elegant gold-finished metal base. The continuous geometric frame creates a sophisticated, airy look, perfect for upscale interiors and boutique coffee shops.

Approximate Size:
Length: 4 ft
Width: 2 ft
Height: 2.5 ft

CFT-08

CFT-09

X-TITAN

A robust choice for busy cafes, this table features a thick particle board top with a natural wood finish. The heavy-duty black metal base utilizes a classic X-frame design connected by a central support bar, ensuring maximum stability and a timeless industrial look.

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

CFT-10

X-BOLD

Blending rustic charm with modern engineering, CFT-10 offers a premium wood-finish particle board top. It rests on a unique X-shaped metal base with a flat bottom frame, providing excellent balance and a sleek, open silhouette perfect for contemporary dining spaces.

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

CFT-11

ANCHOR

This table features a high-quality particle board top with a rich dark wood finish, resting on a heavy-duty black metal base. The striking zigzag leg design offers superior stability and an edgy, industrial look perfect for high-traffic cafes.

Approximate Size:
Length: 4 ft
Width: 3 ft
Height: 2.5 ft

VERVE

Designed for elegance and functionality. This table pairs a premium marble-finish particle board top with a sophisticated gold-finished metal frame. The V-shaped base with vertical detailing adds a touch of luxury, while the built-in cable grommet makes it versatile for both dining and co-working spaces.

Approximate Size:
Length: 4 ft
Width: 2.5 ft
Height: 2.5 ft

CFT-12

CFT-13
